

Echo™ Speaker

ELK-70

The ELK-70 is a 20 Watt, 8 Ohm Speaker mounted in an attractive surface mount plastic enclosure. This versatile Echo™ Series speaker is designed to be heard but not seen!. Sound “echoes” off mounting surface from back plate edge.

This unique contemporary speaker has a smooth, paintable, “no grill” surface that easily blends with any decor. This speaker mounts to any flat surface or single gang electrical “J” box. Also available is the ELK-73, a compact version of the ELK-70.
